Item 1.01 Entry Into a Material Definitive Agreement.

As previously reported, on December 4, 2024, Volato Group, Inc. (the “Company”) entered into a Securities Purchase Agreement (“Securities Purchase Agreement”) with an institutional investor (the “Buyer”). Under the Securities Purchase Agreement, the Company agreed to issue 10% original issue discount senior unsecured convertible promissory notes (“Notes”) in an aggregate original principal amount of up to \$36,000,000, which, once issued, will be convertible into shares of the Company’s Class A common stock, par value \$0.0001 per share. The closing of the first tranche was consummated on December 4, 2024, and the Company issued the initial Note for an aggregate original principal amount of \$4,500,000 (the “Initial Tranche”). The Note issued in the Initial Tranche was sold to the Buyer for a purchase price of \$4,050,000, representing an original issue discount of ten percent (10%), and matures on December 4, 2025.

On June 13, 2025, the parties consummated the closing of the second tranche and the Company issued to the Buyer a 10% original issue discount senior unsecured convertible promissory note, in an aggregate original principal amount of \$1,500,000 (the “Second Tranche Note”), under the Securities Purchase Agreement. The Second Tranche Note issued under the Securities Purchase Agreement was sold to the Buyer for a purchase price of \$1,350,000, representing an original issue discount of ten percent (10%), and matures on June 13, 2026.

The Securities Purchase Agreement and Notes contain customary representations, warranties, agreements and conditions to completing future sale transactions, indemnification rights and obligations of the parties. Among other things, the Buyer represented to the Company, that it is an “accredited investor” (as such term is defined in Rule 501(a) of Regulation D under the Securities Act of 1933, as amended (the “Securities Act”)). The Company offered and issued the Initial Tranche Note and the Second Tranche Note, and will issue any additional Notes, and the shares of common stock issuable pursuant to the Notes, in reliance upon the exemptions from registration contained in Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder.

VOLATO GROUP, INC.

10% ORIGINAL ISSUE DISCOUNT  
 SENIOR UNSECURED CONVERTIBLE PROMISSORY NOTE  
 DUE [●], 202[●]<sup>1</sup>

**FOR VALUE RECEIVED**, Volato Group, Inc., a Delaware corporation (the “Company”), hereby promises to pay to the order of \_\_\_\_\_, or its registered assigns (the “Holder”), the amount set out above as the Original Principal Amount (or such lesser amount as reduced pursuant to the terms hereof pursuant to repayment, redemption, conversion or otherwise, the “Principal”) and the Payment Premium (as defined below), as applicable, in each case when due, and to pay interest (“Interest”) on any outstanding Principal at the applicable Interest Rate (as defined below) from the date set out above as the Issuance Date (the “Issuance Date”) until the same becomes due and payable, whether upon the Maturity Date (as defined below) or acceleration, conversion, redemption or otherwise (in each case in accordance with the terms hereof). Certain capitalized terms used herein are defined in Section (13). The Issuance Date is the date of the first issuance of this 10% Original Issue Discount Senior Unsecured Convertible Promissory Note (as amended, amended and restated, extended, supplemented or otherwise modified in writing from time to time, this “Note”) regardless of the number of transfers and regardless of the number of instruments, which may be issued to evidence such Note.

This Note is being issued pursuant to Section 1 of the Securities Purchase Agreement, dated as of December 4, 2024 (as may be amended, amended and restated, extended, supplemented or otherwise modified in writing from time to time, the “NPA”), between the Company and \_\_\_\_\_, as the investor. This Note may be repaid in accordance with the terms of the NPA. The Holder also has the option of converting on one or more occasions all or part of the then outstanding balance under this Note by delivering to the Company one or more Conversion Notices in accordance with Section (3) of this Note.

<sup>1</sup> To be 12 months from the issuance date.

(1) GENERAL TERMS.

(a) **Maturity Date.** On the Maturity Date, the Company shall pay to the Holder an amount in cash representing all outstanding Principal, accrued and unpaid Interest, and any other amounts outstanding pursuant to the terms of this Note. The “Maturity Date” shall be [●], 202[●]<sup>2</sup>, as may be extended at the option of the Holder. Other than as specifically permitted by this Note, the Company may not prepay or redeem any portion of the outstanding Principal and accrued and unpaid Interest.

(b) **Interest Rate and Payment of Interest.** Interest shall accrue on the outstanding Principal balance hereof at an annual rate equal to 4% (“Interest Rate”), which Interest Rate shall increase to an annual rate of 18% upon the occurrence of an Event of Default (as defined below) (for so long as such event remains uncured). Interest shall be calculated based on a 365-day year and the actual number of days elapsed, to the extent permitted by applicable law. On the first Trading Day of each fiscal quarter (each, an “Interest Date”), any accrued and unpaid Interest shall, at the Company’s option, either be (i) paid in cash to the Holder or paid-in-kind in shares of Common Stock to the Holder (each, an “Interest Payment”), subject to the Company’s satisfaction of the Equity Conditions (as defined below), or (ii) compound and become additional Principal outstanding hereunder as of such Interest Date (each, a “Quarterly Compounding”). The Company may elect to effect an Interest Payment with respect to an Interest Date by delivering to the Holder a written notice (each, an “Interest Election Notice”) on or prior to the fifth (5<sup>th</sup>) Trading Day immediately prior to such applicable Interest Date (the “Interest Election Deadline”) electing to pay such Interest, in whole, or in part, in cash or in shares of Common Stock as specified in such Interest Election Notice. If the Company fails to deliver an Interest Election Notice to the Holder on or prior to the applicable Interest Election Deadline (or such Interest Election Notice elects only in part, to pay such Interest in cash or in shares of Common Stock), such Interest (or such unpaid portion of Interest on such Interest Date, as applicable) shall be subject to Quarterly Compounding on such Interest Date.

(c) **Monthly Payments.** If, any time after the Issuance Date set forth above, and from time to time thereafter, an Amortization Event has occurred, then the Company shall make monthly payments beginning on the seventh (7<sup>th</sup>) Trading Day after the Amortization Event Date and continuing on the same day of each successive Calendar Month until the entire outstanding Principal amount shall have been repaid. Each monthly payment shall be in an amount equal to the sum of (i) one sixth of the aggregate Principal outstanding for this Note and all Other Notes (the “Amortization Principal Amount”), plus (ii) the Payment Premium (as defined below) in respect of such Amortization Principal Amount, and (iii) accrued and unpaid Interest hereunder as of each payment date. The obligation of the Company to make monthly prepayments related to an Amortization Event shall cease (with respect to any payment that has not yet come due) if any time after the Amortization Event Date (A) in the event of a Floor Price Event, on the date that is the fifth (5<sup>th</sup>) consecutive Trading Day that the daily VWAP is greater than 110% of the Floor Price then in effect, (B) in the event of an Exchange Cap Event (as defined below), the date on which the Company has obtained Shareholder Approval to increase the number of shares of Common Stock under the Exchange Cap (as defined below) and/or the Exchange Cap no longer applies, or (C) in the event of a Registration Event, the condition or event causing the Registration Event has been cured or the Holder is able to resell the shares of Common Stock issuable upon conversion of this Note in accordance with Rule 144 under the Securities Act, unless a subsequent Amortization Event occurs.

<sup>2</sup> To be 12 months from the issuance date.

(d) **Optional Redemption.** The Company at its option shall have the right, but not the obligation, to redeem (“Optional Redemption”) early a portion or all amounts outstanding under this Note as described in this Section; *provided* that the Company provides the Holder with written notice (each, a “Redemption Notice”) of its desire to exercise an Optional Redemption after the close of regular trading hours on a Trading Day. Each Redemption Notice shall be irrevocable and shall specify the outstanding balance of the Note to be redeemed and the Redemption Amount. The “Redemption Amount” shall be an amount equal to the outstanding Principal balance being redeemed by the Company, plus the Payment Premium in respect of such Principal amount, plus all accrued and unpaid interest, if any, on such Principal amount. After receipt

of a Redemption Notice, the Holder shall have twenty (20) Trading Days (beginning with the Trading Day immediately following the date of such Redemption Notice) to elect to convert all or any portion of the Note. On the thirtieth (30<sup>th</sup>) Trading Day after the applicable Redemption Notice, the Company shall deliver to the Holder the Redemption Amount with respect to the Principal amount redeemed to the extent not converted and otherwise after giving effect to conversions or other payments made during the thirty (30) Trading Day period.

(e) Payment Dates. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

(f) Rank. All payments due under this Note (a) shall rank *pari passu* with all Other Notes, (b) shall be junior to (i) all Indebtedness created under that certain Pre-Delivery Payment Agreement dated as of October 5, 2022, by and between Volato, Inc., a wholly owned Subsidiary of the Company organized under the laws of the State of Georgia, and SAC LEASING V280, LLC, a Delaware limited liability company (as amended, restated, supplemented or otherwise modified from time to time), as secured by the assets set forth on Schedule F(i) of the NPA, and (ii) all Indebtedness and security interests related to the Settlement Agreement, as secured by the assets set forth on Schedule F(ii) of the NPA, and (c) shall be senior to all other Indebtedness of the Company and its Subsidiaries.

(xvii) [Reserved].

(b) Upon the occurrence of an Event of Default with respect to this Note (or any Other Note), the Company shall, within one (1) Business Day deliver written notice thereof via electronic mail and overnight courier to the Holder (an “Event of Default Notice”). At any time after the earlier of the Holder’s receipt of an Event of Default Notice and the Holder becoming aware of an Event of Default, the Holder may either (i) convert all or any portion of this Note by delivering a Conversion Notice to the Company pursuant to the procedure set forth in Section (3), at a price equal to the Event of Default Conversion Price, or (ii) require the Company to redeem (regardless of whether such Event of Default has been cured) all or any portion of this Note by delivering written notice thereof (the “Event of Default Redemption Notice”) to the Company, which Event of Default Redemption Notice shall indicate the portion of this Note the Holder is electing to redeem. Each portion of this Note subject to redemption or conversion by the Company pursuant to this Section (2)(b) shall be redeemed or converted by the Company at a price equal to the Conversion Amount to be redeemed, plus the Payment Premium in respect of such Conversion Amount, plus all accrued and unpaid interest, if any on such Conversion Amount (the “Event of Default Redemption Amount”). Redemptions required by this Section (2)(b) shall be made in accordance with the provisions of Section (1)(d) (with “Event of Default Redemption Amount” replacing “Redemption Amount” for all purposes hereunder). Conversions required to be made by this Section (2)(b) shall be made in accordance with the provisions of Section (3). Notwithstanding anything to the contrary in this Section (2)(b), but subject to the limitations set out in Section (3)(c)(i) and Section (3)(c)(ii), until the Event of Default Redemption Amount is paid in full, the Conversion Amount submitted for redemption under this Section (2)(b) (together with any interest and other amounts owing in respect thereof) may be converted, in whole or in part, by the Holder into shares of Common Stock pursuant to the terms of this Note.

6

(c) Notwithstanding anything to the contrary in Section (2)(b), in the event that the Event of Default Conversion Price is lower than the Floor Price then in effect, (i) the Event of Default Conversion Price shall be equal to the Floor Price then in effect, and (ii) the outstanding Principal amount shall increase by an amount equal to the product of (A) the difference between (w) the Event of Default Redemption Amount divided by the Floor Price then in effect and (x) the Event of Default Redemption Amount divided by the Event of Default Conversion Price, and (B) the difference between (y) the Floor Price then in effect and (z) the Event of Default Conversion Price.

(d) In the event of the Company’s redemption of any portion of this Note under this Section (2), the Holder’s damages would be uncertain and difficult to estimate because of the parties’ inability to predict future interest rates and the uncertainty of the availability of a suitable substitute investment opportunity for the Holder. Accordingly, any redemption premium due under this Section (2) is intended by the parties to be, and shall be deemed, a reasonable estimate of the Holder’s actual loss of its investment opportunity and not as a penalty. Any redemption of this Note upon an Event of Default shall not constitute an election of remedies by the Holder, and all other rights and remedies of the Holder shall be preserved. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert this Note at any time during an Event of Default until fully converted or repaid, including following the Maturity Date, except as may otherwise be expressly set forth herein.

(3) **CONVERSION OF NOTE.** This Note shall be convertible into shares of Common Stock, on the terms and conditions set forth in this Section (3).

(a) Conversion Right. Subject to the limitations of Section (3)(c), at any time or times on or after the Issuance Date, the Holder shall be entitled to convert any portion of the outstanding and unpaid Conversion Amount into fully paid and nonassessable shares of Common Stock in accordance with Section (3)(b), at the Conversion Price. The number of shares of Common Stock issuable upon conversion of any Conversion Amount pursuant to this Section (3)(a) shall be determined by dividing (x) such Conversion Amount by (y) the Conversion Price. The Company shall not issue any fraction of a share of Common Stock upon any conversion. All calculations under this Section (3) shall be rounded to the nearest \$0.0001. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Company shall round such a fraction of a share of Common Stock up to the nearest whole share. The Company shall pay any and all transfer, stamp and similar taxes that may be payable with respect to the issuance and delivery of Common Stock upon conversion of any Conversion Amount.

7

(b) Mechanics of Conversion.

(i) Optional Conversion. To convert any Conversion Amount into shares of Common Stock on any date (a “Conversion Date”), the Holder shall (A) transmit by email (or otherwise deliver), for receipt on or prior to 11:59 p.m., New York Time, on such date, a copy of an executed notice of conversion in the form attached hereto as Exhibit I (the “Conversion Notice”) to the Company and (B) if required by Section (3)(b)(iii), surrender this Note to a nationally recognized overnight delivery service for delivery to the Company (or an indemnification undertaking reasonably satisfactory to the Company with respect to this Note in the case of its loss, theft or destruction). On or before the first (1<sup>st</sup>) Trading Day following the date of receipt of a Conversion Notice (the “Share Delivery Date”), the Company shall (X) if legends are not required to be placed on certificates of Common Stock and provided that the Transfer Agent is participating in the Depository Trust Company’s (“DTC”) Fast Automated Securities Transfer (“FAST”) Program, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled to the Holder’s or its designee’s balance account with DTC through its Deposit Withdrawal Agent Commission system or (Y) if the Transfer Agent is not participating in FAST, issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled which certificates shall not bear any restrictive legends unless required pursuant to rules and regulations of the Commission. If this Note is physically surrendered for conversion and the outstanding Principal of this Note is greater than the Principal portion of the Conversion Amount being converted, then the Company shall as soon as practicable and in no

event later than two (2) Business Days after receipt of this Note and at its own expense, issue and deliver to the Holder a new Note representing the outstanding Principal not converted. The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of this Note shall be treated for all purposes as the record holder or holders of such shares of Common Stock upon the transmission of a Conversion Notice.

(ii) Company's Failure to Timely Convert. If the Company shall fail, for any reason or for no reason, on or prior to the applicable Share Delivery Date, if the Transfer Agent is not participating in FAST, to issue and deliver to the Holder (or its designee) a certificate for the number of shares of Common Stock to which the Holder is entitled and register such shares of Common Stock on the Company's share register or, if the Transfer Agent is participating in FAST, to credit the balance account of the Holder or the Holder's designee with DTC for such number of shares of Common Stock to which the Holder is entitled upon the Holder's conversion of this Note (as the case may be) (a "Conversion Failure"), then, in addition to all other remedies available to the Holder, (1) the Company shall pay in cash to the Holder on each day after such Share Delivery Date that the issuance of such shares of Common Stock is not timely effected an amount equal to 1.5% of the product of (A) the sum of the number of shares of Common Stock not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, multiplied by (B) any VWAP of the Common Stock of any Trading Day (as selected by the Holder in writing) during the period beginning on the applicable Conversion Date and ending on the applicable Share Delivery Date and (2) the Holder, upon written notice to the Company, may void its Conversion Notice with respect to, and retain or have returned (as the case may be) any portion of this Note that has not been converted pursuant to such Conversion Notice, provided that the voiding of a Conversion Notice shall not affect the Company's obligations to make any payments which have accrued prior to the date of such notice pursuant to this Section (3)(b)(ii) or otherwise. In addition to the foregoing, if on or prior to the Share Delivery Date if the Transfer Agent is not participating in FAST, the Company shall fail to issue and deliver to the Holder (or its designee) a certificate and register such shares of Common Stock on the Company's share register or, if the Transfer Agent is participating in FAST, the Transfer Agent shall fail to credit the balance account of the Holder or the Holder's designee with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's conversion hereunder or pursuant to the Company's obligation pursuant to clause (II) below, and if on or after such Share Delivery Date the Holder acquires (in an open market transaction, stock loan or otherwise) shares of Common Stock corresponding to all or any portion of the number of shares of Common Stock issuable upon such conversion that the Holder is entitled to receive from the Company and has not received from the Company in connection with such Conversion Failure (a "Buy-In"), then, in addition to all other remedies available to the Holder, the Company shall, within two (2) Business Days after receipt of the Holder's request and in the Holder's discretion, either: (I) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions, stock loan costs and other out-of-pocket expenses, if any) for the shares of Common Stock so acquired (including, without limitation, by any other Person in respect, or on behalf, of the Holder) (the "Buy-In Price"), at which point the Company's obligation to so issue and deliver such certificate (and to issue such shares of Common Stock) or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's conversion hereunder (as the case may be) and (II) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such shares of Common Stock or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's conversion hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (x) such number of shares of Common Stock multiplied by (y) the lowest VWAP of the Common Stock on any Trading Day during the period commencing on the date of the applicable Conversion Notice and ending on the date of such issuance and payment under this clause (II). Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) upon the conversion of this Note as required pursuant to the terms hereof.

(iii) Book-Entry. Notwithstanding anything to the contrary set forth herein, upon conversion of any portion of this Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Note to the Company unless (A) the full Conversion Amount represented by this Note is being converted or (B) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Note upon physical surrender of this Note. The Holder and the Company shall maintain records showing the Principal and Interest converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Note upon conversion.

(c) Limitations on Conversions.

(i) Beneficial Ownership. The Holder shall not have the right to convert any portion of this Note to the extent that after giving effect to such conversion, the Holder, together with the Holder's Affiliates (as defined below), and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates, would beneficially own (as determined in accordance with Section 13(d) of the Exchange Act and the rules promulgated thereunder) in excess of 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion or receipt of shares as payment of interest (the "Beneficial Ownership Limitation"). The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section (3)(c), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Note held by the Holder and the Beneficial Ownership Limitation provisions of this Section (3)(c) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the sixty-first day after such notice is delivered to the Company. Since the Holder will not be obligated to report to the Company the number of shares of Common Stock it may hold at the time of a conversion hereunder, unless the conversion at issue would result in the issuance of shares of Common Stock in excess of the Beneficial Ownership Limitation without regard to any other shares which may be beneficially owned by the Holder or an Affiliate thereof, the Holder shall have the authority and obligation to determine whether the restriction contained in this Section will limit any particular conversion hereunder and to the extent that the Holder determines that the limitation contained in this Section applies, the determination of which portion of the Principal amount of this Note is convertible shall be the responsibility and obligation of the Holder. If the Holder has delivered a Conversion Notice for a Principal amount of this Note that, without regard to any other shares that the Holder or its Affiliates may beneficially own, would result in the issuance in excess of the Beneficial Ownership Limitation, the Company shall notify the Holder of this fact and shall honor the conversion for the maximum Principal amount permitted to be converted on such Conversion Date in accordance with Section (3)(a) and, any Principal amount tendered for conversion in excess of the permitted amount hereunder shall remain outstanding under this Note. The provisions of this Section may be waived by a Holder (but only as to itself and not to any other Holder) upon not less than sixty-one (61) days prior notice to the Company. Other Holders shall be unaffected by any such waiver.

---

9

(ii) Primary Market Limitation. Notwithstanding anything in this Note to the contrary, the Company shall not issue any shares of Common Stock upon conversion of this Note or the Other Notes, or otherwise, if the issuance of such shares of Common Stock, together with any other related transactions that may be considered part of the same series of transactions, would exceed the aggregate number shares of Common Stock that the Company may issue in a transaction in compliance with the Company's obligations under the rules or regulations of the NYSE American LLC ("NYSE American") and shall be referred to as the "Exchange Cap," except that such limitation shall not apply if the Company's has obtained Shareholder Approval.

(d) Other Provisions.

(i) So long as this Note or any Other Notes remain outstanding, the Company shall have reserved from its duly authorized shares of capital stock, and shall have instructed its Transfer Agent to irrevocably reserve, the maximum number of shares of Common Stock issuable upon conversion of this Note and the Other Notes (assuming for purposes hereof that (x) this Note and such Other Notes are convertible at the Floor Price as of the date of determination and (y) any such conversion shall not take into account any limitations on the conversion of the Note or Other Notes set forth herein or therein) (the "Required Reserve Amount"), provided that at no time shall the number of shares of Common Stock reserved pursuant to this Section (3)(d)(ii) be reduced other than pursuant to the conversion of this Note and the Other Notes in accordance with their terms, and/or cancellation, or reverse stock split. If at any time while this Note or any Other Notes remain outstanding, the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy the obligation to reserve for issuance the Required Reserve Amount, the Company will promptly take all corporate action necessary to hold a meeting of its stockholders to consider a proposal to increase of its authorized shares of capital stock necessary to meet

the Company's obligations pursuant to this Note, and cause its board of directors to recommend to the stockholders that they approve such proposal. The Company covenants that, upon issuance in accordance with the conversion of this Note in accordance with its terms, the shares of Common Stock, when issued, will be validly issued, fully paid and nonassessable.

(ii) Nothing herein shall limit a Holder's right to pursue actual damages or declare an Event of Default pursuant to Section (2) herein for the Company's failure to deliver certificates representing or credit the Holder's balance account with DTC for shares of Common Stock upon conversion within the period specified herein and such Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief, in each case without the need to post a bond or provide other security. The exercise of any such rights shall not prohibit the Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

(iii) Legal Opinions. The Company is obligated to cause its legal counsel to deliver legal opinions to the Transfer Agent in connection with any legend removal upon the expiration of any holding period or other requirement for which the Underlying Shares may bear legends restricting the transfer thereof. To the extent that a legal opinion is not provided (either timely or at all), then, in addition to being an Event of Default hereunder, the Company agrees to reimburse the Holder for all reasonable costs incurred by the Holder in connection with any legal opinions paid for by the Holder in connection with the sale or transfer of the Underlying Shares. The Holder shall notify the Company of any such costs and expenses it incurs that are referred to in this section from time to time and all amounts owed hereunder shall be paid by the Company with reasonable promptness.

(e) Adjustment of Conversion Price upon Subdivision or Combination of Common Stock. If the Company, at any time while this Note is outstanding, shall (a) pay a stock dividend or otherwise make a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in Common Stock, (b) subdivide outstanding shares of Common Stock into a larger number of shares, (c) combine (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (d) issue by reclassification of shares of Common Stock any shares of capital stock of the Company, then each of the Fixed Price, the Floor Price, the Variable Price, the Conversion Price and the Event of Default Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding before such event and of which the denominator shall be the number of shares of Common Stock outstanding after such event. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

(f) Adjustment of Conversion Price upon Issuance of Common Stock. If the Company, at any time while this Note is outstanding, issues or sells any shares of Common Stock (other than in connection with the NPA or the SEPA (as defined below)) or Convertible Securities, for a consideration per share (the "New Issuance Price") less than a price equal to the Fixed Price in effect immediately prior to such issue or sale (such price the "Applicable Price") (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Fixed Price then in effect shall be reduced to an amount equal to the New Issuance Price. For the purposes hereof, if the Company in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon such conversion or exchange or exercise thereof is less than the Applicable Price, then such shares of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the issuance or sale of such Convertible Securities for such price per share. No further adjustment of the Conversion Price shall be made upon the actual issuance of such shares of Common Stock upon conversion or exchange or exercise of such Convertible Securities.

(g) Other Corporate Events. In addition to and not in substitution for any other rights hereunder, prior to the consummation of any Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a "Corporate Event"), the Company shall make appropriate provision to ensure that the Holder will thereafter have the right to receive upon a conversion of this Note, at the Holder's option, (i) in addition to the shares of Common Stock receivable upon such conversion, such securities or other assets to which the Holder would have been entitled with respect to such shares of Common Stock had such shares of Common Stock been held by the Holder upon the consummation of such Corporate Event (without taking into account any limitations or restrictions on the convertibility of this Note) or (ii) in lieu of the shares of Common Stock otherwise receivable upon such conversion, such securities or other assets received by the holders of shares of Common Stock in connection with the consummation of such Corporate Event in such amounts as the Holder would have been entitled to receive had this Note initially been issued with conversion rights for the form of such consideration (as opposed to shares of Common Stock) at a conversion rate for such consideration commensurate with the Conversion Price. Provision made pursuant to the preceding sentence shall be in a form and substance satisfactory to the Required Holders. The provisions of this Section shall apply similarly and equally to successive Corporate Events and shall be applied without regard to any limitations on the conversion or redemption of this Note.

(h) Voluntary Adjustment by Company. Subject to the rules and regulations of the Primary Market, the Company may at any time during the term of this Note reduce the then current Conversion Price of this Note and the other Notes to any amount and for any period of time deemed appropriate by the Board of Directors of the Company.

(i) Whenever the Conversion Price is adjusted pursuant to Section (3) hereof, the Company shall promptly provide the Holder with a written notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(j) In case of any (1) merger or consolidation of the Company or any Subsidiary of the Company with or into another Person, or (2) sale by the Company or any Subsidiary of the Company of more than one-half of the assets of the Company in one or a series of related transactions, a Holder shall have the right to (A) exercise any rights under Section (3)(b), (B) convert the aggregate amount of this Note then outstanding into the shares of stock and other securities, cash and property receivable upon or deemed to be held by holders of shares of Common Stock following such merger, consolidation or sale, and such Holder shall be entitled upon such event or series of related events to receive such amount of securities, cash and property as the shares of Common Stock into which such aggregate Principal amount of this Note could have been converted immediately prior to such merger, consolidation or sales would have been entitled, or (C) in the case of a merger or consolidation, require the surviving entity to issue to the Holder a convertible Note with a Principal amount equal to the aggregate Principal amount of this Note then held by such Holder, plus all accrued and unpaid interest and other amounts owing thereon, which such newly issued convertible Note shall have terms identical (including with respect to conversion) to the terms of this Note, and shall be entitled to all of the rights and privileges of the Holder of this Note set forth herein and the agreements pursuant to which this Note was issued. In the case of clause (C), the conversion price applicable for the newly issued shares of convertible preferred stock or convertible debentures shall be based upon the amount of securities, cash and property that each share of Common Stock would receive in such transaction and the Conversion Price in effect immediately prior to the effectiveness or closing date for such transaction. The terms of any such merger, sale or consolidation shall include such terms so as to continue to give the Holder the right to receive the securities, cash and property set forth in this Section upon any conversion or redemption following such event. This provision shall similarly apply to successive such events.

(4) REISSUANCE OF THIS NOTE.

(a) Transfer. If this Note is to be transferred, the Holder shall surrender this Note to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Note (in accordance with Section (4)(d)), registered in the name of the registered transferee or assignee, representing the outstanding Principal being transferred by the Holder (along with any accrued and unpaid interest thereof) and, if less than the entire outstanding Principal is being transferred, a new Note (in accordance with Section (4)(d)) to the Holder representing the outstanding Principal not being transferred. The Holder and any assignee, by acceptance of this Note,

acknowledge and agree that, by reason of the provisions of Section (3)(b)(iii) following conversion or redemption of any portion of this Note, the outstanding Principal represented by this Note may be less than the Principal stated on the face of this Note.

(b) Lost, Stolen or Mutilated Note. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Note, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Note, the Company shall execute and deliver to the Holder a new Note (in accordance with Section (4)(d)) representing the outstanding Principal.

(c) Note Exchangeable for Different Denominations. This Note is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Note or Notes (in accordance with Section (4)(d)) representing in the aggregate the outstanding Principal of this Note, and each such new Note will represent such portion of such outstanding Principal as is designated by the Holder at the time of such surrender.

13

(d) Issuance of New Notes. Whenever the Company is required to issue a new Note pursuant to the terms hereof, such new Note (i) shall be of like tenor with this Note, (ii) shall represent, as indicated on the face of such new Note, the Principal remaining outstanding (or in the case of a new Note being issued pursuant to Section 5(4)(a) or Section 5(4)(c), the Principal designated by the Holder which, when added to the Principal represented by the other new Note issued in connection with such issuance, does not exceed the Principal remaining outstanding under this Note immediately prior to such issuance of new Note), (iii) shall have an issuance date, as indicated on the face of such new Note, which is the same as the Issuance Date of this Note, (iv) shall have the same rights and conditions as this Note, and (v) shall represent accrued and unpaid Interest from the Issuance Date.

(6) Except as expressly provided herein, no provision of this Note shall alter or impair the obligations of the Company, which are absolute and unconditional, to pay the Principal of, interest and other charges (if any) on, this Note at the time, place, and rate, and in the currency, herein prescribed. This Note is a direct obligation of the Company. As long as this Note is outstanding, the Company shall not and shall cause its Subsidiaries not to, without the consent of the Holder, (i) amend its certificate of incorporation, bylaws or other charter documents so as to adversely affect any rights of the Holder; (ii) repay, repurchase or offer to repay, repurchase or otherwise acquire shares of its Common Stock or other equity securities; (iii) enter into any agreement with respect to any of the foregoing, or (iv) enter into any agreement, arrangement or transaction in or of which the terms thereof would restrict, materially delay, conflict with or impair the ability of the Company to perform its obligations under the this Note, including, without limitation, the obligation of the Company to make cash payments hereunder.

(7) This Note shall not entitle the Holder to any of the rights of a stockholder of the Company, including without limitation, the right to vote, to receive dividends and other distributions, or to receive any notice of, or to attend, meetings of stockholders or any other proceedings of the Company, except as required by law (including, without limitation, the provisions of the General Corporation Law of the State of Delaware) and as expressly provided in this Note, unless and to the extent converted into shares of Common Stock in accordance with the terms hereof.

(8) CHOICE OF LAW; VENUE; WAIVER OF JURY TRIAL

(a) Governing Law. This Note and the rights and obligations of the parties hereunder shall, in all respects, be governed by, and construed in accordance with, the laws (excluding the principles of conflict of laws) of the State of Delaware (the "Governing Jurisdiction") (including Title 6, Section 2708 of the Delaware Code), including all matters of construction, validity and performance.

(b) Jurisdiction; Venue; Service.

(i) The Company hereby irrevocably consents to the non-exclusive personal jurisdiction of the state courts of the Governing Jurisdiction and, if a basis for federal jurisdiction exists, the non-exclusive personal jurisdiction of any United States District Court for the Governing Jurisdiction.

(ii) The Company agrees that venue shall be proper in any court of the Governing Jurisdiction selected by the Holder or, if a basis for federal jurisdiction exists, in any United States District Court in the Governing Jurisdiction. The Company waives any right to object to the maintenance of any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, in any of the state or federal courts of the Governing Jurisdiction on the basis of improper venue or inconvenience of forum.

---

15

(iii) Any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or tort or otherwise, brought by the Company against the Holder arising out of or based upon this Note or any matter relating to this Note, or any other Transaction Document, or any contemplated transaction, shall be brought in a court only in the Governing Jurisdiction. The Company shall not file any counterclaim against the Holder in any suit, claim, action, litigation or proceeding brought by the Holder against the Company in a jurisdiction outside of the Governing Jurisdiction unless under the rules of the court in which the Holder brought such suit, claim, action, litigation or proceeding the counterclaim is mandatory, and not permissive, and would be considered waived unless filed as a counterclaim in the suit, claim, action, litigation or proceeding instituted by the Holder against the Company. The Company agrees that any forum outside the Governing Jurisdiction is an inconvenient forum and that any suit, claim, action, litigation or proceeding brought by the Company against the Holder in any court outside the Governing Jurisdiction should be dismissed or transferred to a court located in the Governing Jurisdiction. Furthermore, the Company irrevocably and unconditionally agrees that it will not bring or commence any suit, claim, action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Holder arising out of or based upon this Note or any matter relating to this Note, or any other Transaction Document, or any contemplated transaction, in any forum other than the state and federal courts sitting in the City of Wilmington, New Castle County, State of Delaware, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such suit, claim, action, litigation or proceeding may be heard and determined in such Delaware State Court or, to the fullest extent permitted by applicable law, in such federal court. The Company and the Holder agree that a final judgment in any such suit, claim, action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(iv) The Company and the Holder irrevocably consent to the service of process out of any of the aforementioned courts in any such suit, claim, action, litigation or proceeding by the mailing of copies thereof by registered or certified mail postage prepaid, to it at the address provided for notices in this Note, such service to become effective thirty (30) days after the date of mailing.

(v) Nothing herein shall affect the right of the Holder to serve process in any other manner permitted by law or to commence legal proceedings or to otherwise proceed against the Company or any other Person in the Governing Jurisdiction or in any other jurisdiction.

(c) THE PARTIES MUTUALLY WAIVE ALL RIGHT TO TRIAL BY JURY OF ALL CLAIMS OF ANY KIND ARISING OUT OF OR BASED UPON THIS NOTE OR ANY MATTER RELATING TO THIS NOTE, OR ANY OTHER TRANSACTION DOCUMENT, OR ANY CONTEMPLATED TRANSACTION. THE PARTIES ACKNOWLEDGE THAT THIS IS A WAIVER OF A LEGAL RIGHT AND THAT THE PARTIES EACH MAKE THIS WAIVER VOLUNTARILY AND KNOWINGLY AFTER CONSULTATION WITH COUNSEL OF THEIR RESPECTIVE CHOICE. THE PARTIES AGREE THAT ALL SUCH CLAIMS SHALL BE TRIED BEFORE A JUDGE OF A COURT HAVING JURISDICTION, WITHOUT A JURY.

(9) If the Company fails to strictly comply with the terms of this Note, then the Company shall reimburse the Holder promptly for all fees, costs and expenses, including, attorneys' fees and expenses incurred by the Holder in any action in connection with this Note, including those incurred: (i) during any workout, attempted workout, and/or in connection with the rendering of legal advice as to the Holder's rights, remedies and obligations, (ii) collecting any sums which become due to the Holder, (iii) defending or prosecuting any proceeding or any counterclaim to any proceeding or appeal; or (iv) the protection, preservation or enforcement of any rights or remedies of the Holder.

(10) Any waiver by the Holder of a breach of any provision of this Note shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Note. The failure of the Holder to insist upon strict adherence to any term of this Note on one or more occasions shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Note. Any waiver must be in writing.

(11) If any provision of this Note is invalid, illegal or unenforceable, the balance of this Note shall remain in effect, and if any provision is inapplicable to any person or circumstance, it shall nevertheless remain applicable to all other persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder shall violate applicable laws governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum permitted rate of interest. The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law which would prohibit or forgive the Company from paying all or any portion of the Principal of or interest on this Note as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this indenture, and the Company (to the extent it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impeded the execution of any power herein granted to the Holder, but will suffer and permit the execution of every such as though no such law has been enacted.

(12) DISCLOSURE. Upon receipt or delivery by the Company of any notice in accordance with the terms of this Note, unless the Company has in good faith determined that the matters relating to such notice do not constitute material, nonpublic information relating to the Company or its Subsidiaries, the Company shall within one (1) Business Day after such receipt or delivery publicly disclose such material, nonpublic information on a Current Report on Form 8-K or otherwise. In the event that the Company believes that a notice contains material, non-public information relating to the Company or its Subsidiaries, the Company so shall indicate to the Holder contemporaneously with delivery of such notice, and in the absence of any such indication, the Holder shall be allowed to presume that all matters relating to such notice do not constitute material, nonpublic information relating to the Company or its Subsidiaries.

The Company shall not, and the Company shall cause each of its Subsidiaries to not, directly or indirectly, make any investment other than Permitted Investments.
